MANAGEMENT REPORT ON 2020 OPERATIONS AND RESULTS

Ms. Ma. Clara T. Kramer, the Club's General Manager, reported on the activities of the Club for the fiscal year ended 31 December 2020. She briefly discussed the highlights of Club's Balance Sheets and the Statements of Revenue and Expenses as well as the Statement of Cash Flows, which formed part of the SEC Form 20-IS previously sent to all shareholders.

RESULTS OF OPERATION

The Covid-19 pandemic has caused unprecedented impact to the company's operations due to mandatory quarantine periods, community lockdowns and restrictions on mobility of members. This has caused the decrease in club tournament, golf services and revenue resulting to net loss in 2020 of ₱5.3 million compared to the net loss of ₱11.3 million in 2019.

The Club's revenue dropped by 18.4% from 2019 to 2020. This is attributed to lower revenue generated in golf revenue, food, beverage and sundries. Similarly, the Club's cost and operating expenses went down by 18.4% from 2019 to 2020. This is a result of lower costs of salaries, wages and employee benefits, communication, light and water, outside services, repairs and maintenance, club tournament expense, and supplies.

Currently, the Club operates at capacity allowed by the local government unit of Batangas. With the execution of its plans and strategies to mitigate the impact of the pandemic, the Club's revenue and its net income have already improved as of August 2021.

FINANCIAL POSITION

The Golf Club showed a healthy financial position as of 31 December 2020 with total assets of ₱1.74 billion. Cash and cash equivalents decreased by ₱21 million or 13.1% due to net cash used in operating activities of ₱8.65 million, net cash used in investing activities of ₱11.51 million, and net cash used in financing activities of ₱0.810 million.

The Golf Club's total liabilities amounted to ₱91.5 million as of 31 December 2020 lower than last year's of ₱142.26 million, due to decrease in pension liability of 65.7% and

OTHER MATTERS

After confirming with the Secretary that there were no other remaining matters on the agenda, the Chairman opened the floor for some of the questions received from the shareholders to be addressed. Ms. Erika De Luna was requested to read the questions and comments received.

The first question asked was whether the Club will extend the usage of consumables. Ms. Ma. Clara T. Kramer, General Manager of the Club responded. Yes, the 2021 consumable will be extended until 31 December 2022. For 2020 consumables, this can be used until 31 December 2021 only.

The next question asked was why is the Club not suspending or waiving membership due despite quarantine restrictions and closure of some facilities or for humanitarian considerations. Ms. Kramer responded, that payment of monthly dues is required to meet the expenses for the general operations of the Club and the maintenance and improvements of its premises and facilities. Being a non-profit organization, monthly dues are the lifeblood of the Club without which the Club could not fulfill the purposes for which it is formed. Furthermore, monthly dues are payable notwithstanding non-enjoyment of the Club facilities under the Club By-Laws. As a matter of fact, the Club did not assess any member for the expenses incurred for the rehabilitation of facilities caused by the Taal volcanic ashfall which amounted to about ₱11.0 Million. The

Club also did not assess for the renovation of Club facilities in 2019 and prior years with a cost of ₱76.0 Million. The Club allows extended payment options for outstanding dues. Members were requested to directly coordinate with Billing and Collection Department to discuss those options.

The Secretary then announced that due to limited time, other questions, if any, sent by the stockholders would be responded to via e-mail by the Corporation's officers.
