**THE COUNTRY CLUB AT TAGAYTAY HIGHLANDS, INC.
BUSINESS AND GENERAL INFORMATION**

The Business

The Country Club at Tagaytay Highlands, Inc. (Country Club) was incorporated in 1995 as an exclusive membership club operating on a non-profit basis. Its primary purpose is to promote social, recreational and athletic activities among its members. It is a self-contained community set on a ridge in Tagaytay City which is located approximately 60 kilometers south of Metro Manila and situated on a 7-hectare land below the 18-hole par-71 international championship golf course of Tagaytay Highlands International Golf Club Inc. (THIGCI).

Sale of membership shares to the public started in November 1995 but the Country Club officially opened for business in March 1996. Majority of members are private individuals (about 87.45%) most of which are Filipino nationals and citizens and the remaining 12.55% are corporate members. Members of the THIGCI were given preference to purchase the first few shares before they were offered to the public. The Country Club derives its revenues and other income from the monthly dues (53%), restaurant patronage (25%), recreational facilities (2%), room sales (1%), and other income (19%). Collection of monthly dues started in March 1996 at ₱750 per member and was subjected to gradual increases. The following are the monthly dues with the respective periods wherein the increase became effective: ₱1,500 in June 1996, ₱2,000 in January 1998, ₱2,300 in April 2001, ₱2,500 in April 2004, ₱3,100 in January 2006, ₱3,600 in January 2010, ₱4,200 in September 2012, and ₱4,700 in January 2019. Starting March 2020, membership dues were adjusted to ₱4,250 due to the VAT exemption.

Sale of food and beverage through the Country Club's restaurants is a major source of income contributing to about 45% of total revenues in 2021. The different specialty restaurants offer a wide array of cuisines (Filipino, Chinese, Italian, Japanese, Korean and Western) which are sure to satisfy everyone's palate.

Part of the Country Club's commitment to members was also to provide sports and recreational facilities. Prior to the Country Club's opening in March 1996, the outdoor facilities like the tennis courts, fishing pier, mini-golf course, horseback bridle path and the children's playground were already available to members. In July 1996, the two-level Sports Center was officially opened. This houses a 14-lane bowling facility, indoor lap pool, basketball court, badminton court, game room, spas, gym, and a Kidsports - children's play area. In December 1996, major portions of the camping ground called Camp Highlands were also completed and ready to accept members who wish to stay overnight or simply to cool off in the swimming pools. In addition to the aforesaid developments, the Animal Farm and Highlands Cinema were opened in 1997. However, as of the end of fiscal year 2010, the Highlands Cinema is no longer operational.

The wide array of facilities and the continuing developments in the Country Club are important considerations for members to retain membership with the Country Club and for some to speculate increase in market value of their shares. Club has completed its renovation of the following facilities in 2019: Sports Center, Highlander Steakhouse, Highlands China Palace, Country Club Veranda, Akasaka, Camp Highlands, Gourmet Avenue, Peak Bar, Country Clubhouse, Holy Family Chapel, Genghis Khan, and Trellis.

Bankruptcy, Receivership or Similar Proceedings

The Country Club has not been involved in any bankruptcy, receivership or similar proceedings for the past three (3) years.

Material Reclassification, Merger, Consolidation or Purchase or Sale of a Significant Amount of Assets (not ordinary)

The Country Club has not engaged in any material reclassification, merger, consolidation or purchase or sale of a significant amount of assets (not ordinary) for the past three (3) years.

Competition

There is no formal or organized secondary market for the purchase and sale of golf and country club shares in the Philippines. As such, holders of shares in the Country Club who may wish to sell or dispose of their shares may not readily find a counterparty for the transaction at the desired asking price. At present, there is a growing number of golf and country clubs being established in various parts of the country. This may affect appreciation in the value of investment in the Country Club.

Investments in leisure-oriented developments such as golf and country clubs are influenced by the economic and political conditions in the country. Any adverse economic and political developments in the country may affect the demand for such leisure facilities, and any anticipated appreciation in the prices of golf and country club shares.

Although there are other clubs engaged in the same line of business, the Country Club competes in terms of service and facilities. The Country Club is highly competitive because of its wide array of facilities which includes world-class sports and recreational facilities, specialty restaurants and bars offering different cuisines (Filipino, Chinese, Italian, Japanese, Korean, and Western) and accommodation facilities.

Sources and availability of raw materials

The Country Club's principal suppliers include Werdenberg International Corporation, ESV International Corp., RGL33 Fruits and Vegetable Dealer, JC Seafoods Supply, Delos Reyes Trading, and Sanford Marketing Corporation. There is no existing major supply contracts entered into by the Country Club.

Transactions with and/or dependence on related parties

In the ordinary course of business, the Country Club has transactions with related parties which consist mainly of charges for affiliate's usage of Country Club's facilities and services. This is also comprised of reimbursement of certain operating expenses such as utilities, contract services and repairs and maintenance from related parties.

Government Regulations

The Country Club has complied with licensing and regulatory requirements necessary for its development and operations.

Compliance with Environmental Laws

The Country Club has complied with pertinent environmental laws and regulations and has received the Environmental Certificate Clearance issued by the Department of Energy and Natural Resources.

Employees

The Country Club is run by a team of regular and casual employees as follows:

Regular Employees (based on head count as of 31 July 2022)

GM & Department Heads	31
Supervisors	37
Rank and File	<u>41</u>
Total	109

All regular rank and file employees are subject to the Collective Bargaining Agreement which expires in June 30, 2024. Some of the regular employees are also seconded to Tagaytay Highlands International Golf Club, Inc. and Tagaytay Midlands Golf Club, Inc.

There has been no strike brought about by the Country Club's employees in the past twenty-one (22) years.

Major Business Risks

The Country Club has been sustaining its operational requirements through the collection of monthly dues from each member and the operation of restaurants and sports & recreation facilities. The Country Club has no foreign currency exposures or obligations that will have a material impact on its short-term or long-term liquidity due to the depreciation of peso. During the early part of the COVID-19 pandemic, the Club was experiencing reduced consumer demand owing to lost income and/or restrictions on consumers' ability to move freely and limitation of the Club's activities such as Country tournament, wedding and corporate events. When the government announced a more relaxed community quarantine, the Club's revenues are picking up and are expected to return to its normal earning stream within the next one to two years.
