MANAGEMENT REPORT ON 2020 OPERATIONS AND RESULTS

Ms. Ma. Clara T. Kramer, the Club's General Manager, reported on the activities of the Club for the fiscal year ended 31 December 2020 as well as the highlights of Club's Balance Sheets and the Statements of Revenue and Expenses, and the Statement of Cash Flows, which formed part of the SEC Form 20-IS previously sent to all shareholders.

RESULTS OF OPERATIONS

The Covid-19 pandemic has caused unprecedented impact to the Club's operations due to mandatory quarantine periods, community lockdowns and restrictions on mobility of members. This resulted to the decrease in club tournament, room occupancy and other operations which led to net losses in 2020 of ₱22.36 Million compared to the net income of ₱19.99 Million in 2019.

The Club's revenues dropped by 37.03% from 2019 to 2020. This is attributed to lower revenue generated in golf, rooms, food, beverage and sundries. Similarly, the Club's cost and operating expenses went down by 17.13% from 2019 to 2020. This is a result of lower costs of salaries, wages and employee benefits, communication, light and water, outside services, repairs and maintenance, club tournament expense, and supplies.

Currently, the Club operates at capacity allowed by the local government unit of Cavite. With the execution of its plans and strategies to mitigate the impact of the pandemic, the Club's revenues have improved and its net loss has decreased as of August 2021.

FINANCIAL POSITION

The Club showed a healthy financial position as of December 31, 2020, with total assets of ₱553.52 Million. Cash and cash equivalents decreased by ₱26.50 Million or 34.80% mainly as a result of net cash used by operating activities amounting to ₱12.38 Million and additions to property and equipment amounting to ₱13.86 Million.

Total liabilities amounted to ₱236 Million as of December 31, 2020, which is lower than last year's ₱242.04 million. The Club's ratio of total liabilities to equity remains to be

conservative at 0.74: 1.00 as of December 31, 2020.

The first question asked was why is the Club not suspending or waiving membership due despite quarantine restrictions and closure of some facilities or for humanitarian considerations. Ms. Ma. Clara T. Kramer, General Manager of the Club responded that payment of monthly dues is required to meet the expenses for the general operations of the Club and the maintenance and improvements of its premises and facilities. Being a non-profit organization, monthly dues are the lifeblood of the Club without which the Club could not fulfill the purposes for which it is formed. Furthermore, monthly dues are payable notwithstanding non-enjoyment of the Club facilities under the Club By-Laws. As a matter of fact, the Club did not assess any member for the expenses incurred for the rehabilitation of facilities caused by the Taal volcanic ashfall which amounted to about ₱11.0 Million. The Club also did not assess for the renovation of Club facilities in 2019 and prior years with a cost of ₱76.0 Million. The Club allows extended payment options for outstanding dues. Members were requested to directly coordinate with Billing and Collection Department to discuss those options.

The next question was how does the Club handle SARS COV-2 cases among employees? Ms. Kramer responded that the Club's occupational health physicians created an antiCovid-19

protocol for the Club based on DOH Workplace Handbook on Covid-19 Management and Prevention. During the identification of a confirmed case, the clinic immediately conducts an investigation to determine contamination points and close contacts. The confirmed cases shall be properly endorsed to the local BHERT for quarantine in the case of asymptomatic employees or isolation for symptomatic cases. The clinic closely monitors the patient for progress until recovery. The Club dispenses a covid kit to the patient and may facilitate transfer to a facility if warranted. All close contacts are evaluated by the Club physician and managed according to the DOH guidelines, with full sanitation of the patient's work area as recommended.

The last question asked was whether the Club will extend the usage of consumables. Ms. Kramer responded yes, the 2021 consumable will be extended until December 31, 2022. For 2020 consumables, this can be used until December 31, 2021 only.

The Secretary then announced that due to limited time, other questions, if any, sent by the stockholders would be responded to via e-mail by the Corporation's officers.
