INTERNAL POLICY FOR CONDUCT OF BOARD AND COMMITTEE MEETINGS

Until repealed or amended, this internal policy shall apply to all meetings of the Board of Directors and the various committees of **TAGAYTAY MIDLANDS GOLF CLUB, INC. (the “Corporation”)**. This internal policy is being adopted pursuant to Section 52 of the Revised Corporation Code and the Securities and Exchange Commission (SEC) Memorandum Circular No. 6, series of 2020.

Part I. Directors’ Participation/Attendance Via Remote Communication

Section 1. Directors who cannot physically attend or vote at board or committee meetings can participate and vote through remote communication such as videoconferencing, teleconferencing, or other alternative modes of communication that allow them reasonable opportunities to participate.

In no case, however, shall directors be allowed to attend or vote by proxy at board meetings.

Section 2. If a director intends to participate in a meeting through remote communication, he/she shall notify the Chairperson or Presiding Officer and the Corporate Secretary¹ of such intention at least twenty-four (24) hours prior to the meeting. The Corporate Secretary shall note such fact in the minutes of the meeting.

Section 3. A majority of the number of directors as stated in the Articles of Incorporation shall constitute a quorum. A director who participates through remote communication shall be deemed present for the purpose of attaining a quorum.

Section 4. The Corporate Secretary shall send the notice of the meeting to all directors via electronic mail. Confirmation of the director’s attendance may be through any of the following methods:

- a. Via electronic mail;
- b. Via phone call; or
- c. Via SMS.

Notice of regular or special meetings must be sent no later than two (2) days prior to the scheduled meeting.

The notice shall include the following information:

- a. The date, time, and place of the meeting;
- b. The agenda of the meeting;
- c. All pertinent materials for discussion which shall be numbered and marked in such a manner that the director can easily follow and participate in the meeting;
- d. That a director may participate via remote communication;

¹ Reference to the Corporate Secretary shall include the Assistant Secretary/Secretaries.

- e. Contact information of the Corporate Secretary or office staff with whom the director may communicate should he/she intend to participate or attend the meeting through teleconferencing, videoconferencing, audioconferencing, or other modes of alternative communication;
- f. When the agenda includes the election of directors or officers, the requirement and procedure for nomination and election;
- g. The fact that there will be a visual and/or audio recording of the meeting (if any director will participate through videoconferencing, audioconferencing, or teleconferencing); and
- h. Other instructions to facilitate participation in the meeting through remote communication.

In the absence of an arrangement or notice of a director's intent to participate via teleconference or other modes of alternative communication, it is presumed that the director will physically attend the meeting.

Section 5. At the start of the meeting where at least one (1) director has indicated his/her intent to participate via remote communication (including teleconferencing, videoconferencing, audioconferencing, computer conferencing, etc.), the Chairperson shall instruct the Corporate Secretary to make a roll call. Every attendee shall state or confirm for the record the following:

- a. Full name and position;
- b. Location;
- c. Confirmation that he/she can clearly hear and/or see the other attendees;
- d. Confirmation that he/she received the Notice of Meeting including the agenda and materials; and
- e. Specify the device being used (i.e. smartphone, tablet, laptop, etc.).

Thereafter the Corporate Secretary shall confirm and note the participants and certify the existence of quorum.

All participants shall identify themselves for the record before participating/commenting during the meeting. If a person fails to identify himself/herself, the Secretary shall state the identity of the last speaker, which the last speaker should confirm. If the person speaking is not physically present and the Secretary is not certain of the identity of the speaker, the Secretary must inquire to elicit confirmation or correction.

If a motion is objected to and there is a need to vote and divide the Board, the Secretary shall call the roll and note the vote of each director.

If a statement of a director/participant in the meeting is interrupted or garbled, the Secretary shall request for a repeat or reiteration, and if need be, the Secretary shall repeat what he heard the director/participant was saying for confirmation or correction.

If any of the directors has signified his/her intent to participate via remote communication and cast his/her vote on items in the agenda through electronic mail, SMS, or any other manner, such vote/s cast shall be counted for the purposes of determining a quorum for such agenda item so voted upon by the director/s physically absent from the meeting.

Section 6. In case of a need to vote on any item or matter in the agenda, the Chairperson shall direct the Corporate Secretary to note the vote of each director. The director participating in the meeting via remote communication may cast his/her vote viva voce (if participation is through teleconferencing, audioconferencing, or videoconferencing), through electronic mail., SMS, or any other manner, provided that such vote cast could be noted and validated by both the Corporate Secretary and the Chairperson.

The Corporate Secretary shall keep a register of the contact information of all directors (i.e. email address and mobile number), which shall be used for official Board and Committee communications.

It shall be the duty of the directors and committee members to apprise the Corporate Secretary of any changes to their contact information to keep such directory updated.

Only messages coming to and from email addresses and mobile numbers listed in the official directory of the Corporate Secretary will be considered official communications of the Board and the Committee and its members.

- f. Prepare the minutes of the meeting and ensure that they accurately reflect the record of the proceedings; and
- g. Require those who attended the meeting through remote communication to sign the minutes of the meeting.

Section 8. These guidelines shall govern the conduct of all Board and Committee meetings of the Corporation where participation of at least one (1) director was made via remote communication.

Part 2. Alternative Modes of Communication in Emergency Situations

Section 9. Under extraordinary or urgent circumstances, where for practical considerations such as physical or technical issues or difficulties, the Board or a Committee of the Corporation cannot be convened for a physical meeting or meeting by videoconference or teleconference, urgent actions required or permitted to be taken may be done among them through electronic mail, instant messaging applications (i.e. Viber, WhatsApp, etc.), or other available modes of communication.
